<u>Call to order</u>: 6:47 PM <u>Guest(s)</u>: Brock A, Heather J, Heidi W, Jeremy G, Brenda S, Brian, Ben, Angi M, Brian from PUD. <u>Absent</u>:

<u>Call for Ad-Hoc Agenda Items</u> (Will be added to the end of the planned Agenda)

## Secretary's report:

- Approval of regular minutes on these dates: 7/26/2023 Regular Meeting
  - Made requested edits and approved by board

## Treasurer's report:

- Financial reports- still outstanding balance even with large balances paid from some properties. 33 did not pay July. Something to look at shortages affecting budget and expenses.
- Liens/delinquencies 6 Liens
- 2023 Reserve Study- completed. Will send to Brock to post to website.
- QB online for next year

## Old Business:

- On-line payments still interest. No update.
- Request for more lighting at mailboxes- Einar getting quotes for labor. No update.

## <u>New Business:</u>

- Landscaping Update (Jesse's) yellowing (main park) and dead trees along perimeter.
  - Getting Tree Quotes- Dirk to get info to Job's.
  - Brian Cramer with PUD (tree specialist) might call in and talk about our dead trees, he says our landscaper is killing them with mowers and trimmers and will remind us the right breeds for replacement. Spoke about 2018 tall Maple trees growing into power lines and eventually PUD removed. New maples planted that are hot wing and don't grow as tall. Some have been replaced again with tall maples again. Brian recommends low growing trees so they don't hit the power lines. The dying trees are being damaged by Jesse's Lawn Mower and the bark is being hit off. To avoid that he recommends a ring around trees to have a barrier and have mulch or bark so lawn mower doesn't hit it. Trees in high voltage power lines can cause sparks and outages. Keep in contact with Brian with what is decided with quotes and planting new trees.
  - Jesse's worked on sprinklers on 8/3- looking a tad better. 36th still looks very bad in parts. Need to talk to Jesse's again.
  - If any big landscaping maintenance needs done, I need to get a list so it's on next year's budget.
  - Einar said there are issues with landscaping so may need to look at getting bids again for the next contract.
- Updates from Rules Committee (Robert)- no new updates since fee structure was not approved.
  - Rules must follow federal, state and local laws per RCW's. Laws always supersede. Rules must be very clear. In a legal battle windows are not spelled out so the rules are murky in that. They need to be clearly written/equally enforced. There are rules we have that violate state and local laws. Basically it is a big mess because it is not clearly written.
- Heather mentioned windows should be enforceable because it makes the front of the home look bad. She is upset it was motioned for her removal and directed at Robert that she thinks he thinks it is because she doesn't like her neighbor. She says this is not true and that no matter what homeowner it was the violations would stand. She went over the history since she started the community improvement committee. Doesn't really want to be the chair but agreed to to get the committee started back in March. Heather and Morgan were the only ones participating and made lists near them and then proceeded to go through the whole neighborhood of any issues in the neighborhood. Above Ground Pools were brought up due to an ACC application back in May/June. Heather is worried about crappy pools decreasing values when not being maintained like her neighbor.
- Homeowner has complained about harassment.
  - Einar asked "Can you objectively perform your duty on the committee?" Was not comfortable with statements made off the record. Vote was 3-2 last meeting to keep Heather. A board member was supposed to speak with Heather since last board meeting. No discussion was done. Einar suggested we could have the conversation now. He read from last meeting about windows.
- Window letters have not gone out yet and an extension needs to be sent based on the vote from last meeting. Robert proposed unvoting what we did because it is a lawsuit waiting to happen with gray area if letters go out with window replacement demand.
  - Robert made a motion to temporarily cease the enforcement of oxidized/broken seal windows for 12 months and retract the violation issued to Hollenbeck. Dirk seconded. Vote:5-0 passed unanimously.
  - Morgan to follow up on tomorrow on retraction of window letter. Einar to send letter.
- 2022 CPA Audit Annual Audit
  - \$2500 quote from Tri-Cities CPA (Last years firm used)
    - Einar motioned to move forward with Tri-Cities CPA. 5-0 all approved
  - \$3000 quote from PNW CPA.

- Violations
  - How are we handling the letters?
  - Stephanie needs help with photos but she is okay to do the letters. (Robert, Dirk and Einar agreed to help with photos)
  - Need the neighborhood fully canvassed.
  - Folder in the google drive about violations
- Reserve study was completed
  - Einar to work with Brock on website additions on financials

Board of Directors Shadow Run Homeowners Association Via email

Dear Board Members,

We are pleased to confirm our understanding of the services we are to provide for Shadow Run Homeowners Association for the period/year ending December 31, 2022.

#### Audit Scope and Objectives

We will audit the financial statements of Shadow Run Homeowners Association, which comprise the balance sheet(s) as of December 31, 2022, and the related statements of revenues, expenses, and changes in fund balance and cash flows for the year then ended, and the disclosures (collectively, the "financial statements"). The financial statements will include supplementary information about future major repairs and replacements required by the financial Accounting Standards Board (FASB). Although we will apply certain limited procedures with respect to the required supplementary information, we will not audit the information and will not express an opinion on it.

The objectives of our audit are to obtain reasonable assurance about whether the financial statement as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Reasonable assurance is a high level of assurance but is not absolute assurance and therefor is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

#### Auditor's Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Association or to acts by management or employees acting on behalf of the Association.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements

7321 53<sup>at</sup> Ave NE Seattle, WA 98115 (425) 223-1449 alena@pnwcpa.com may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform you of any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform you of any material errors that come to our attention, and we will inform you of any other violation of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditor is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditor.

We will obtain an understanding of the Association and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and direct confirmation of certain assets and liabilities by correspondence with selected owners, customers, creditors, and financial institutions. Our procedures will not determine whether the funds designated for future major repairs and replacements are adequate to meet such future costs because such a determination is outside the scope of the engagement. We may also request written representations from your attorneys as part of the engagement.

#### **Responsibilities of Management for the Financial Statements**

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America. You are also responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within the Association from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Association involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud

affecting the Association received in communications from employees, former employees, regulators, or others. In addition, you are responsible for identifying and ensuring that the Association complies with applicable laws and regulations. You are responsible for the preparation of the required supplementary information about future major repairs and replacements. You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

You agree to assume all management responsibilities for the tax services, financial statement preparation services, and any other nonattest services we provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

#### Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, receivables, and other confirmations we request and will locate any documents selected by us for testing.

Alena Alonichava is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. We expect to begin our audit on approximately November 1, 2023 and to issue our report no later than December 31, 2023.

We estimate our fees for these services will be **\$3,000** for the audit. The fee estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our invoice is payable on presentation of the draft report.

## Reporting

We will issue a written report upon completion of our audit of Shadow Run Homeowners Association's financial statements. Our report will be addressed to the board of directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion or add an emphasis-of-matter paragraph, other-matter paragraph, or separate section to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the attached copy and return it to us.

Sincerely,

Alena Alonichava, CRA
